

Chinese Keep Up Advance Inside India

NEW DELHI, India (AP)—Chinese Communist troops have broken through Indian defenses south of Bomdila and are plunging toward the plains of Assam, a Defense Ministry spokesman said today.

In a parallel strike, the Red Chinese were reported to have advanced about 65 miles in the Lohit River Valley at the eastern end of the Himalayan front.

The announcement of these actions came only a few hours before the Wednesday midnight deadline—1 a. m. EST—at which Red China said it had ordered its victory-flushed Himalayan divisions to silence their guns.

Indian Prime Minister Nehru had in effect rejected Peking's terms.

The Defense spokesman refused to say what would be the Indian army reaction to the Red Chinese declaration of a cease-fire.

He left the impression at his daily briefing that the Indians would continue shooting at invaders.

Nehru told Parliament earlier that the Chinese declaration for the cease-fire and a withdrawal had not been officially received here.

The prime minister said it would be examined when it comes.

Nehru told Parliament today India would stand by its insistence on the restoration of military positions held before last Sept. 8 as the condition for settlement.

He said his government would consider the Chinese statement—broadcast earlier today by Peking radio—when it is officially received. But the Chinese statement clearly blocked the idea of restoring Indian troops to posts they held in Ladakh before Sept. 8.

In their statement, the Chinese said they planned to put a cease-fire into effect unilaterally tonight, and to begin troop withdrawals Dec. 1 to establish a 25-mile demilitarized zone between the two forces. They called on the Indians to take similar measures and warned they would fight back if the Indians continued shootings.

Under repeated questioning in the lower house, Nehru declared that India's demand for the line held before Sept. 8 "is a good position, a strong position, and we do not propose to consider any negotiations until that position is restored. We don't shift our stand every 24 hours."

The withdrawals, Peking said, would carry Chinese troops in the Ladakh area in the northwest and the Tawang sector of the northeast 12½ miles behind the line of actual control on Nov. 7, 1959. On the eastern sector of the northeast frontier, the Chinese said they would withdraw to the disputed McMahon Line and then pull back an additional 12½ miles.

Peking also proposed that, after lesser Indian and Chinese officials worked out details of the demilitarized zone, Chinese Premier Chou En-lai and Nehru meet in Peking or New Delhi to negotiate a border settlement.

Initial appraisals of the Chinese offer indicated the Chinese appeared willing to withdraw from a large sector of India's northeast frontier district, where they stand poised at the gateway to the fertile and populous Assam plains, but were not giving up any important ground in Ladakh far to the west.

Peking seemed ready—in future negotiations—to give up its gains in the northeast in return for strategically valuable Ladakh, across which they have put a road connecting Tibet and the western Chinese province of Sinkiang. Nehru rejected a 1959 proposal for such a territorial swap.

MARS' FAR EAST ARENA—Basic area bracketed by the Red Chinese assault on India is portrayed on Newsmag, above. At left, Chinese seek to increase control of border area between Ladakh and Chinese-dominated Tibet. With firm control, they could command several routes, including passes through near-impassable mountains. At right, Communists press along the McMahon Line (white arrow) which approximates the northern Assam border, running from its juncture with Bhutan to upper right on map, where Assam and Burma borders meet. Immediately to the south of the McMahon Line is the North East Frontier Agency. With this area in their control, Red Chinese would have a lever with which to pry India from her claims in Ladakh, to the west, under the threat of continued attack.

Injured in Auto, Scooter Accident

Two accidents were investigated by City Police over the Thanksgiving holiday, one resulting in a young being injured.

Tony Smith, a Star carrier, was injured Wednesday afternoon when the scooter which he was riding collided with an auto driven by Floyd McCormick at Third and Elm streets.

Young Smith suffered the break of a bone in his foot and will have to wear a cast for a couple of weeks. He is not considered seriously hurt.

Thanksgiving day at Walnut and Ave A an auto driven by Jerry Martin ran into another driven by George Walden and the Walden auto was knocked into a truck driven by Lyle McMahon. Nobody was injured.

City Police charged Martin with hazardous driving.

Thanksgiving Death Toll Now at 227

By THE ASSOCIATED PRESS

Traffic	192
Fires	16
Miscellaneous	19
Total	227

The tally of Thanksgiving holiday deaths moved steadily higher today, paced by a rash of multiple fatalities in traffic accidents.

Highway deaths since the count began at 6 p. m. (local time) Wednesday totaled 192 compared to 68 for a comparable period last year. Fires killed 6 persons and miscellaneous accidents, 9.

There were numerous reports of accidents in which three, four and five persons were killed. In Texas, there were two separate accidents in which five persons were fatally injured in each mishap. A two-car crash in Illinois took the lives of four persons and four University of Omaha students were killed when their car smashed into a Union Pacific freight train at a crossing in the outskirts of Omaha.

The National Safety Council did not make an estimate of the traffic death toll for Thanksgiving or for the extended holiday period from 6 p. m. Wednesday until midnight Sunday. It said the traffic on the holiday is not heavy as on other major holidays.

However, the council said that deaths on the highway for the Thursday through Sunday period at this time of year number about 480. An Associated Press survey of accidental deaths for the 102-hour period from 6 p. m. Wednesday, Nov. 7 to midnight Sunday, Nov. 1, showed 459 highway fatalities. The survey also showed 30 killed in fires and 13 deaths in miscellaneous accidents, an overall total of 602.

In last year's four-day Thanksgiving holiday period, there were 457 traffic deaths, 40 persons killed in fires and 105 deaths in miscellaneous accidents, a total of 602.

18 Killed in Portugal Plane Crash

LISBON, Portugal (AP)—A Portuguese military plane crashed after taking off from the island of Saint Thomas in the Atlantic early today. Unconfirmed reports said at least 18 of its 32 occupants were killed.

The aircraft, a four-engined C54 transport, was en route to Lisbon with military personnel and their dependents.

Saint Thomas is off Guinea in the South Atlantic and is a stopping place for Portuguese military transports flying between Angola and Portugal.

First reports mentioned only 14 survivors. The Portuguese air force operates a regular transport service between Lisbon and Portuguese territories in the Atlantic and in Africa.

Later Lusitania news agency said 18 of the 32 occupants of the plane were dead.

The plane, in command of Capt. Sherman Macedo, was scheduled to halt at Portuguese Guinea before continuing on to Lisbon.

Lusitania quoted eye-witnesses as saying there was a violent explosion in the plane soon after takeoff, and flames were visible from the airport.

Rescuers, guided by the blaze in the darkness, found the wreckage on land at Roca Boa Estrada, midway between the villages of Casada and Praia, the news agency said.

Dispatches from Saint Thomas said the 14 survivors were taken to a nearby hospital.

Misses Bus But Kills Three

ST. JENRI, Que. (AP)—A trailer truck with no brakes swerved into a front yard to miss a stalled school bus Thursday night and crushed three children to death against the wall of their home.

The children, Gerald Brochu, 6, and his brothers, Yvan, 4, and Simon, 3, were playing beside their father's tractor, which was towing the school bus off the road. The runaway truck hit the tractor and the three children were crushed between the house wall, the tractor and the truck.

The driver of the truck, Charles Lemieux, 35, told police he applied his brakes but they didn't work and he swerved off the road.

Riots Revived in South Africa

JOHANNESBURG, South Africa (AP)—Paarl, the Cape Province wine town, was quiet but tense today following explosion of racial violence that caused at least seven deaths.

Police in riot cars patrolled the town and its outlying segregated areas.

South Africa's all-white government moved to investigate the causes of the disorders in which two young white people—a schoolgirl and a young rugby player—were hacked to death by rioting Africans. Police fire killed at least five Africans and wounded four others.

India Rushes Troops Into Fight Area

By HENRY S. BRADSHAW

NEW DELHI, India (AP)—The Indian army rushed fresh troops to the Himalayas today as the nation waited out the tense nine-day period of a cease-fire before Red China begins its promised military pullback.

The Chinese too were believed consolidating and reinforcing the startling gains they made in the rugged mountain border areas in 32 days of undeclared war before they proclaimed and put into effect, a cease-fire at midnight Wednesday.

Tacitly accepting the cease-fire, Indian troops were reported under secret orders to hold their fire unless fired upon. But Prime Minister Nehru refrained from taking a stand on Peking's proposals for ending the conflict.

Red China said she would begin pulling her troops back on Dec. 1. But what would happen then was far from clear, Peking's proposal was widely regarded as an ultimatum which would force India to yield the high Ladakh Plateau on the western end of her border in return for regaining most of the lost border areas in the northeast.

Adopting a wait-and-see attitude, the Indian government went ahead in the lull with emergency measures to put its forces into a better military position after suffering smashing blows.

Nehru still talked of a long hard war. In his first public speech since the cease-fire he took no notice of Peking's declarations.

He called on Indians for a sense of sacrifice to make the country great and to defend hard-won freedom.

Swift Co. Leases Poultry Plant

CLARKSVILLE, Ark. (AP)—Lease of facilities of the bankrupt Priebe and Sons, Inc., poultry operation here to Swift and Co., of Chicago was revealed Tuesday when a lease agreement was filed in the Johnson County clerk's office.

Signers of the agreement were R. Y. Fulbright of Clarksville, who bought Priebe's equipment at a bankruptcy sale, and F. H. Hogswood of Chicago, assistant treasurer of Swift.

A Swift spokesman said Swift would start operating the facilities shortly after Jan. 1.

The agreement covers a poultry processing plant, a feed mill and a hatchery, all operated by Priebe before the firm went bankrupt earlier this year.

Priebe employed 360 persons at the processing plant and 150 at the feed mill and hatchery. Swift had no announcement about probable employment.

The lease is for 10 years.

Practices in Forestry Revived

With the winter season approaching and most field crops harvested renewed interest in tree farming forestry management is being shown by Hempstead County farmers and ranchers, who already have woodland plots or interested in establishing forest trees.

Tree farming includes a variety of practices necessary to make woodland more profitable which is tree planting, woodland weeding, woodland protection, intermediate cutting and Harvest cutting.

Only one of these practices can be effectively applied during the summer months which is woodland weeding and has to do with the removal of undesirable weed or wolf trees so as to promote production of better quality trees.

Farmers who did some of the most recent weeding practices are: Monroe Samuel, G. H. Gibson, R. H. Butler, Lawton Cobb, and Charles Key.

Young seedlings are planted during the dormant months and first plantings of this season will begin as soon as seedlings are available at the nursery which will only be a few days. Planting crews are available and ready to start and will continue planting until mid-March.

A few of the farmers who will be among the first to start planting is: Felix Flaherty, Arthur Wade, James Butler, Dick Branch, Luther Young, and C. H. Willis.

Several other farmers have indicated they will do some interplanting where needed to complete a good stand.

Woodland protection can also best be applied and requires more attention during winter months due to dead leaves and vegetation. Fire lands scraped or plowed around woodland areas are the most effective means of protection and requires less maintenance during the most effective means of protection and requires less maintenance during this period as the lanes stay bare longer. Several woodlots in the County have already been protected in this manner.

Both intermediate and harvest cutting is recommended during fall and winter months.

(1) To eliminate build up of damaging insects.

(2) Provides easy crop by harvesting pine cones for nursery seed.

Several plots in the County have been marked for selective cutting this winter. After a cutting cycle has been established on a woodland plot a series of pattern of cuttings can be followed in the future. Marking timber prior to each cutting is very effective toward growing faster and better quality timber.

Check that back forty on your farm and determine which of the above practices need to be applied now. Your local Soil Conservation Service office has the necessary equipment to mark and check rate of growth of your timber and the assistance of their personnel is yours for the asking.

George F. Brown, your local Work Unit Conservationist, suggests that anyone with woodland problems or any assistance needed pertaining to your forest trees to contact him at the SCS office at the Hempstead County Courthouse or call 7-5561.

Church Group Challenges Reports

NEW YORK (AP)—Published reports that enrollments are falling in Protestant seminaries have been challenged by nine leading churchmen, who cite figures from the American Association of Theological Schools as a rebuttal.

The churchmen said Thursday that enrollments have increased 3.6 per cent and that the total enrollment in all Protestant seminaries now stand at 20,696, a three-year high.

The church officials, including the heads of the several denominations, made their statement in reference to magazine reports which the churchmen described as "spreading a gravely distorted and even untrue impression."

The church officials statement cited a Nov. 20 Look magazine article headed "Seminary enrollment lags" and a Nov. 17 Saturday Evening Post article with subheads saying "Protestant seminary enrollment dropped 5 per cent last year to a five-year low. Ordained clergymen are resigning in unprecedented numbers."

Airliner Falls in Maryland, Burns All Aboard Lost

ELLICOTT CITY, Md. (AP)—A United Air Lines plane crashed and burned today in a wooded area at Homestead, Md., about 10 miles west of Baltimore.

State Police said there were 14 passengers and four crewmen aboard the plane and reports from the scene indicated there were no survivors.

The plane was a four-engine Viscount turbo-prop en route from Newark, N.J., to Atlanta, Ga., with a stop in Washington, D.C. It was United flight No. 297.

The plane came down about 12:30 p. m.

"It was awful," said Mrs. Clark Gaither, who lives nearby. "The plane crashed at the edge of the woods and the flames shot higher than the trees."

"We heard a sound like a tractor motor chugging. Then there were three thunderous explosions and all we could see was smoke and flames."

"My husband and I got up from the table where we were having lunch and looked across the field. 'I don't know whether there were any passengers and if there were any I don't know how they could have gotten out of the plane.'"

"My husband ran out of the house and got into his car. I stayed in the house. He couldn't get very near the plane and he didn't want to go alone."

"Just before the plane crashed, while we were finishing our coffee we thought we heard something like a plane maneuvering. The engines didn't sound right and then they stopped and we heard this noise like a bomb."

The plane came down just off Maryland 108 between the towns of Ellicott City and Clarksville in Howard County, Md.

Russia Offers Plan to End Crisis in Cuba

By WILLIAM N. OATIS

UNITED NATIONS, N.Y. (AP)—Soviet Deputy Foreign Minister Vasily V. Kuznetsov confirmed today that the Soviet Union has proposed a formal agreement to the United States to conclude the Cuban crisis.

Informed sources now said the Soviet Union had put forward a proposed joint declaration of the two powers in the course of talks to settle the matter. A reporter asked Kuznetsov what the U.S. reaction was to the joint declaration.

"There hasn't been an answer yet," Kuznetsov replied.

He referred to the proposed document as a protocol rather than a joint declaration. A protocol is a negotiated agreement, usually signed, that constitutes the basis for a final convention or treaty or is attached to such a final instrument.

The Soviet minister had just had a 45-minute talk with Acting Secretary-General U Thant, with whom Soviet, U.S. and Cuban delegates have been discussing the Cuban affair since soon after it flared up. He would say only that the talk was "good."

The United States delegates were reported balking at some points in the proposed document, particularly the point that the United States would agree to discuss with Cuba a withdrawal from Guantanamo naval base.

United States negotiators, it was said by the informants, view this item as a reflection of Cuban Prime Minister Fidel Castro's five points for a guarantee against overthrow of his regime, and the United States is unwilling to discuss any of them.

The Soviet proposal would deal with U.N. verification of the withdrawal of Soviet offensive weapons from Cuba by having U Thant hold talks about it with the Americans, Soviets and Cubans.

Other items in the Soviet proposal were understood to duplicate those put forth in letters between President Kennedy and Soviet Premier Khrushchev on Oct. 7 and 28 in which Khrushchev agreed to withdraw offensive weapons from Cuba under U. S. verification, and Kennedy agreed to lift the U.S. arms blockade of Cuba and promise not to invade Cuba.

Nine Horses Perish in Fire

LOUISVILLE, Ky. (AP)—Fire swept a barn at Churchill Downs today, killing nine of the 18 yearlings quartered there. The others were led to safety by a trainer as he and his family fled the building.

There were no injuries to personnel.

Multimillionaire hotelman J. Graham Brown, owner of the animals, gave no estimate of his loss but among the yearlings was one sired by 1948 Kentucky Derby winner Citation.

Trainer Arthur Perossier, 69, said he and a groom were starting to feed the thoroughbreds when the blaze broke out, apparently triggered by an explosion of a heater.

"The fire spread so quickly I don't remember all I did," Perossier said. He and his wife lost a 3-year-old daughter in an apartment house fire in Jacksonville, Fla. in 1931.

President Calls in Budget Man

By DOUGLAS B. CORNELL
HYANNIS PORT, Mass. (AP)—President Kennedy swung his attention back to the abating Cuban crisis today after taking a holiday respite around a dinner table laden with a 32-pound turkey.
Kennedy also was getting down to dollars-and-dimes concentration on the budget he will be sending to Congress early next year.
The President asked Budget Director David Bell to fly up from Washington for a conference.
And he asked the executive committee of the National Security Council to fly up for a session to review the Cuban situation.
Kennedy was able to report to the American people at a news conference Tuesday that grave problems still remained but the dangers imbedded in the Cuban crisis had diminished and there was much to be thankful for at this Thanksgiving season.
As they do every year, lots of Kennedys, adults and kids, descended on the family compound for Thanksgiving Day.
The youngsters were fed early at the home of Atty. Gen. and Mrs. Robert F. Kennedy. And then Thursday night sons and daughters and in-laws, the President and First Lady among them, sat down to a turkey dinner at the large, gabled, white-frame home of the President's parents, Mr. and Mrs. Joseph P. Kennedy.
The older Mr. Kennedy suffered a severe stroke nearly a year ago. And the family could be thankful that at least he was able to be out on the front porch in a wheel chair to welcome the President on his arrival from Washington

Denies FDR Had Several Strokes
CHICAGO (AP)—The physician son-in-law of the late Franklin D. Roosevelt denied today what he termed "perpetuated reports" the nation's 32nd president suffered five "little" strokes prior to his death.
Dr. James A. Halsted, husband of the late President's daughter, Anna, and a specialist in internal medicine, said reports of the mul-

iple strokes first appeared in a 1949 magazine article.
In the current (December) issue of Today's Health Magazine, published by the American Medical Association, Halsted said:
"It is important to get at the truth in order to set the record straight. Otherwise his myth (of five strokes) would lend credence to the assumption by some people that Roosevelt's judgment was seriously impaired by supposed ill health."
Thanksgiving Day was dark and rainy on the Cape. Even the hardy Kennedys considered it a little too dreary to try touch football or skating at the ice rink. These have been family sports on previous holidays here.
It wasn't a day of complete relaxation for the President. He got in some paper work and gave assorted other people something to be thankful for.

Terrorists Strike in Mexico

MEXICO CITY (AP)—The president of the Chamber of Deputies says a sweepin investigation should be made into a string of terrorist outbreaks despite government assurances that they pose no organized threat to federal power.

The unrest has been attributed to rightwingers, peasants, and frustrated politicians.
Calm appeared to have been restored in the two prime areas

This Was a Day of Big Deer Hunt.

SEATTLE (AP)—For scores of residents in Seattle's South End Thanksgiving was the day of the big deer hunt.
They forsook turkey in the pan for deer in the street in one of the zaniest chases this city has ever seen.
It started when five deer appar- ently left their habitat on Mercer Island and swam a short distance to the Seattle side of Lake Wash- ington.
Two deer were spotted grazing in a backyard about 8 a.m. A group of youngsters saw three others a short time later in an- other yard.
The kids yelled. The deer jumped, and the chase was on. A police helicopter hovered overhead. Patrol cars converged on the area. Men from the Hu- mane Society, the State Game Department and the City Zoo were joined by kids, dogs and

well-meaning spectators.
Buzz Fiorini, outdoorsman who has been a guide for Bing Crosby, joined the hunt. He was given a small gun used to shoot animals with tranquilizers.
Finally Fiorini got close enough for a shot. Officials roped the drugged animal and took it to the zoo to be released later.
By this time it was dark and the hunt was over with four deer still at large.
Officers figured those four would swim for home when the hunters went to bed.

Segregation Demonstration

GREENSBORO, N.C. (AP)—Fif- ty-seven Negroes and three white persons demonstrated against ra- cial segregation Thanksgiving Day at two Greensboro cafeterias and a downtown theater.
John T. Hatchet, a teacher at Bennett College here and a spokesman for the Congress on Racial Equality, said the demon- stration was "a decision on the part of individuals who felt it would be nice to have Thanksgiv- ing dinner."
"On this day of thanksgiving, we feel there could be no better way to observe it than to have age-old barriers fall."
All 60 demonstrators were ar- rested by police and charged with trespass. Police said those demon- strating for the first time were

in seven-branch candelabra. Vows for the double-ring ceremony were exchanged before an altar decorated with baskets of white mums.

Given in marriage by her brother, Richard Ross Forster, III of Los Angeles, Calif., the bride was gowned in white peau de ange with long sleeves and a scalloped neckline trimmed with Alencon lace. The hooped skirt had a redingote encircled with Alencon lace, and her shoulder-length veil of illusion fell from a coronet of sequins and seed pearls. The bride's only jewelry was a diamond lavalier, gift of her father. She carried a prayer book topped with phalaopsis orchids.

Miss Susan Forster served her sister as maid of honor, and Miss Judy Owen, sister of the bridegroom, was the bridesmaid. They wore identical dresses of emerald green satin and velvet with matching accessories. Their bouquets were Italian wheat in shades of yellow, rust, and green.

George McGill of Fulton was the bridegroom's best man. James McLarty, III was the groomsman, and ushers were John and Robert Forster of Dallas, Texas, cousin of the bride, and Vonnice Edwards.

For her daughter's wedding, Mrs. Forster wore a dress of champagne brocade with a gold satin hat and matching accessories. Mrs. Owen, mother of the bridegroom, wore blue brocade with matching accessories. Each had an orchid corsage.

After the ceremony, the wedding couple and their guests were invited to the Hope Country Club, where Mr. and Mrs. L. W. Young were hosts for a reception. Greeting the guests at the door were Mrs. Byron Hefner and Mrs. Comer Boyett. They introduced them to the receiving line, where they met members of the wedding and the parents of the wedding couple.

White stock decorated the entertainment rooms, where Mrs. Lytle Moore guided the guests to the serving tables. At the bride's table Mrs. Mitchell LaGrone and Mrs. Kenneth Daniels served the cake squares, and Mrs. John Fred Forster of Dallas, Texas, and Mrs. Dean Good of Texarkana poured the punch. Miss Sharon Fielding and Miss Sue Ann Smith served at the groom's table.

Assisting in serving were Misses Jo Carolyn Lewis, Mary Lou Park, Ann Sulton, Linda Thrash, Jeannie Lowe, Jan Ellis, Jennifer Cox, Myra Cox, Lana Thompson, Helen Ramsey, Peggy Martin, Ann Thompson, Cornelia Hutchins, Juanita Messer, and Mrs. Winston Duke.

Mrs. Vonnice Edwards had charge of the bride's book. Dispensing hospitality were Mrs. Royce Smith, Mrs. Ed Aslin, Mrs. Ray Lawrence, Mrs. Estelle Blake, Mrs. Frank King, and Mrs. Margaret Trautman.

When the couple left for a short trip, the bride was wearing a dress of orbit blue wool with a matching jacket trimmed in mink. With it she wore matching accessories and pinned an orchid corsage from her wedding bouquet at her shoulder.

The bride attended Mississippi State College for Women and the University of Arkansas. After a wedding trip south, Mr. and Mrs. Owen will live in Arkadelphia while attending Henderson State Teachers College.

Coming and Going

Out-of-town guests attending the Forster-Owen wedding were Ricky Forster, Los Angeles, Calif.; Mr. and Mrs. John Fred Forster, John and Robert, Mr. and Mrs. A. B. Cox all of Dallas, Tex.; Mrs. Benjie Owen, Ft. Benning, Ga.

Hal Branch, Dallas, Tex.; and Mr. and Mrs. James Branch, Jr. and Rosemary, Kansas City have been the holiday guests of Dr. and Mrs. J. W. Branch and Mr. and Mrs. Charles Cox.

Minister, Choir Girl Run Away

HENDERSON, Tex. (AP) — A Baptist minister who ran away with a 16-year-old choir singer has been jailed on a charge of contributing to the delinquency of a minor.

The Rev. LeRoy Daniel, 27, who left his bride of four months and fled with Flora Jean Cole, was to be arraigned today.

Daniel, pastor of the Cristall Farms Baptist Church at nearby Tatum, and the girl had been living in Wichita, Kan., since Nov. 2. They were found Wednesday in

a Wichita motel and returned to Texas Thursday night.

Sheriff F. L. Gibson said Mrs. Daniel's lawyer has drafted a petition for divorce and the minister has agreed not to contest it. The sheriff turned over the girl to her parents.

"I do not want to go home," Flora said in Wichita. "I won't stay home. I'll run off."

Brush Creek Dam, to provide additional water supply for Benton, was completed on the North Fork of Saline River in 1953. The lake formed is called Lake Norrell and is excellent for fishing.

Mr. Farmer.
ARE YOUR DEBTS IN BALANCE?

Many farmers have their short-term debts completely out-of-balance with their long-term obligations. Good farm management requires that operating or short-term credit be kept in balance with capital or long-term credit. Proper balance enables orderly retirement of all obligations without repayment being a burden.

Thousands of farmers have found that a LAND BANK LOAN provides the key to a balanced debt load. It could well be the answer to your credit problem.

Visit us today. See how our services can be profitable to you. There is no obligation.

No Time for Letdown, Hog Coach Warns

By BILL SIMMONS
FAYETTEVILLE, Ark. (AP) - Coach Frank Broyles of Arkansas said Thursday he hoped his Razorbacks would forget the Texas-A&M game and get ready to play football Saturday.

"This is no time for a letdown," the red-haired Georgian said.

The Razorbacks, who will play in the Sugar Bowl at New Orleans on Jan. 1, shoot for a 9-season record against Texas Tech at Lubbock, Tex., Saturday. No Arkansas team has won nine games in a season.

Texas' 13-3 victory over Texas A&M sewed up the Southwest Conference football championship for the Longhorns and sidetracked Arkansas' bid for an unprecedented fourth straight conference crown.

"Texas is to be congratulated," he said. "I felt when we played them we had a great team, and I still think we do. I said all along that we had to beat Texas to win it."

Texas edged Arkansas 7-3 earlier this season—the only defeat for Broyles this season.

Broyles said he did not watch the game and had not talked with head coach at the University of Texas. Arkansas and Texas tied for the conference title in 1961.

"I gather that Texas A&M gave a fine effort against Texas," Broyles said. "But, don't forget, Texas A&M beat Texas Tech on the last play of their game on a 10-yard kickoff return. Texas Tech will be out to give us as hard a way to go as Texas A&M game Texas."

Arkansas is heavily favored to whip the Red Raiders and lengthen Broyles' string of unbeaten Novembers at Arkansas to five.

The Texas victory "was what I expected," Broyles said.

"Of course we were hopeful something would happen, but I never really expected it to," he said.

"Now we've got to worry about Texas Tech, and we're very concerned," he said. "If we're thinking about this game, or about that on Jan. 1, we may be in trouble."

Broyles declined to compare the 1961 Arkansas team that went to the Sugar Bowl and lost to Alabama's national champions 10-3.

Broyles said it looks like Arkansas will meet Mississippi in the Sugar Bowl. Ole Miss was a regular season opponent for the Hogs until this season.

"I don't know about the prospect of playing the Rebels," he said. "But it ought to be a whale of a game."

Some Teams Have Rough Turkey Day

By THE ASSOCIATED PRESS

Thanksgiving Day football was as good to see as the traditional bird was to consume Thursday.

Take Little Rock Central and Little Rock Hall, for instance. This heated rivalry ended in a 14-4 tie.

Or consider El Dorado's cliffhanger, a 7-6 decision over Camden with the Panthers trying three times—and missing all three—for field goals and victory in the last half.

Then, too, Nashville's perfect season bit the dust against Hope, and Clarendon's winning streak down at 22 and the Lions lost the District 6B championship to Holly Grove.

Pine Bluff, the No. 1 team in the state, nailed down its first perfect season since 1932 to go with its first Big Nine Conference championship since 1951 by whipping Stuttgart 32-14.

Here's home some of the more interesting battles went Thursday.

Little Rock Hall's Warriors piled up a 14-point lead against Central on a two-yard touchdown run by halfback Cloud Keyes and a 20-yard scoring pass from Johnny Darracot to Mike Weed.

But some 9,000 fan saw Tiger quarterback Don Hollingsworth take control the second half and throw for two touchdowns — 15 yards to Tommy Tranham and Sammy Beavers.

Camden of Region 4AA went ahead of El Dorado on a 37-yard touchdown pass from Jim Jordan to Robert Brewer. But tackles Hemp Davis and Mike Hulsey bulled in to slap down the conversion attempt, and turned the tide in favor of the Big Nine team.

Halfback David Self fired a long pass to end Gerald Ponder, who struggled with two Camden defenders for the ball, which was batted into the air. El Dorado fullback Jim Thomas loomed by, nabbed the flying ball, and raced 25 yards for a touchdown. Jim Barnes added the crucial extra point, and then held on in the second half as Camden missed three field goal attempts from within the El Dorado 15—the last one in the final 30 seconds of play.

Hope, of Region 4AA, broke Nashville's winning streak with a 13-0 decision. The Class A team yielded to a weighty Hope defensive line. Bary Mayfield passed to a 45-yard dash by Matt Young.

Hogs Formally Accept Bid to Sugar Bowl

NEW ORLEANS (AP) — The University of Arkansas Razorbacks officially accepted a bid to play in the Sugar Bowl in New Orleans next Jan. 1 after Texas sewed up the Southwest Conference football title Thursday.

Marshall, David, Sugar Bowl President, issued the invitation, which was accepted by Coach Frank Broyles of Arkansas, who said he and his team will be happy to return to the Sugar Bowl.

Arkansas lost 10-3 to Alabama's national champions in the bowl last season.

David said the Razorbacks' opponent in the bowl would be named next week. Mississippi is expected to meet Arkansas.

The Razorbacks, seventh-ranked nationally, were runners-up to Texas with an 8-1 record. They try for a 9-record against Texas Tech at Lubbock, Tex., on Saturday.

Porterfield on a four-yard touchdown play, and Porterfield swept end and went 59 yards to ice it in the last period.

Holly Grove nosed out Clarendon 9-6 for the District 6B title, and snapped the Lions' lengthy winning skein.

B. Coleman booted a 23-yard field goal early in the last quarter to give the Panthers the nod, after Rocky Gerlack had one seven yards for a touchdown with a fumble he caught in mid-air.

Paul Conner scored on a six-yard keeper for Clarendon.

Newport and Batesville played to a 13-3 tie in the 42-year-old rivalry. Richard Davis rambled one and nine yards for Batesville's scores, and Newport got points on a 55-yard pass from Bill Keedy to Larry Madison.

Keedy also ran four yards for a touchdown.

Quarterback Gordon Norwood, one of the finest ever produced by Pine Bluff, ran for two touchdowns and passed to halfback David Hunt for two scores to lead the Zebras past Stuttgart 32-14.

Reserve fullback Dan Rimmer got the other Pine Bluff tally on a two-yard plunge.

Stuttgart scores came on a 28-yard pass from Pete Harris to Joe Stocks and on a 90-yard burst up the middle by Ronnie Shirley.

Guard Allen Seyler ran 47 yards to score with an intercepted pass and blocked a punt to set up another touchdown in leading Little Rock Catholic to a 14-7 victory over North Little Rock. Newton Kershaw ran two yards for the other Catholic touchdown. Jim Higham plunged a yard for the North Little Rock score.

A six-yard scoring pass from Tommy Brown to Jim Gray stood up for a 6-0 Helena victory over Marianna. The Porcupines never threatened, and at one point the Indians turned down a sure three points for a try at a touchdown.

The situation developed when M. P. Blackmon kicked a 25-yard field goal in the second quarter, but Marianna was offside and Helena decided to take a first down at the Marianna nine, rather than the three points. Helena didn't score on that series of downs.

Conway's Wampus Cats captured the Region 3AA championship by whipping Morrilton 20-0 on scoring runs of 14 and five yards by fullback Danny Carter. Doug Martin whisked 13 yards for the other Conway touchdown.

Bearden's Bears gunned down the Dierks Outlaws 13-6 and grabbed the District 7B football title. Joe Weatherly plunged a yard for the first Bearden score and Eddie Nut went five yards for the second. Dierks scored on a 45-yard dash by Matt Young.

Bobcats Rack Nashville From Unbeaten Ranks

By VINCE FOSTER

The Nashville Scrappers and their unbeaten season was the Thanksgiving feast for Hope as the Bobcats chewed up the previously undefeated Scrappers 13-0 there. An outstanding team effort plus all 13 points from David Porterfield, outstanding back of Region 4AA, enabled the Cats to stop these 7A Champions and their win victories at 10 games this season.

Porterfield's opening kickoff went out of bounds and was brought out to the Nashville 40. After a jarring Bobcat tackle Scrapper Alan Tollett fumbled into the hands of Tony Purdie. However, the Cats couldn't move the ball and gave it up on downs at the Nashville 32. The Scrappers rolled to Hope's 37 and then punted to David Porterfield at the Hope 9. Two plays later Porterfield fumbled to Nashville's Arnold at their 20. In this series of downs however, Donnie Vaughn and Jerry Goad, all-district Bobcats, threw the QB Jones back 14 yards to the Nashville 34 to destroy that threat.

The Bobcats gave up the ball twice more before finally rolling upfield. At the 50 Porterfield's punt off the side of his foot gave the Scrappers the ball on their own 45. In 13 plays they moved to the Hope six yard line. Alan Tollett carried for 2 to the 2, and then he carried it to the one foot line. With third down and one foot for the TD, a determined Bobcat defense held Tollett for no gain. Nashville tried Tollett once more, but again Hope held and threw him back, taking over the ball on downs only inches from the Hope goal line. This probably was the turning point in the game because this 55 yard drive without a score took a lot of the Scrappers and they never seemed to recover.

Maurice Sullivan returned the second half kickoff to the Hope 35. Then QB Mayfield hit Larry Thrash with a 23 yard pass to the 42. After an incomplete pass, Roy Wray picked up a first down on a 13 yard carry. In ten plays the Cats pushed down to the Nashville eight, when David Porterfield put Hope on the scoreboard with a touchdown pass from Mayfield. He added the PAT to put the Cats ahead 7-0.

Charles Beggs and Dan Jones pounced on Porterfield's on side kickoff to give Hope possession on the Nashville 40. The teams exchanged punts for the remainder of the third quarter and mid-way into the final period. Hope got a break, though, as Tony Purdie recovered a Scrapper fumble at Hope's 40. There was then a mix up in the Bobcat backfield, and out of the fumble came David Porterfield who broke into the secondary and then just plain outran the final Nashville defenders on a 60 yard scoring scamper. Although he missed the PAT, Porterfield's 13 points had the Cats out for 13-0.

With only minutes left Dan Jones recovered a fumbled pitch-out to give Hope possession at Nashville's 38. As the final buzzer sounded, the Cats were again threatening at the Scrapper 6.

defensive halfback Roy Wray gained 61, followed by McDowell, a junior, who had 22. Burnett carried for 13, Mayfield for 5, while McLarty and Wassell netted 4 yards each. This upset over the Scrappers gives the Bobcats a final season record of eight wins, three losses, and a tie. Coach John Pierce had this order after the game, "Don't try and point anyone out as winning this game; it was a tremendous team effort if I ever saw one." The coaching staff said this comment, "This was a fine ending to a season that had some disappointments, namely the three 7-0 losses we suffered plus missing that district championship." "We are losing some good seniors that we really hate to see go; it looks like they made up their minds to win today. They carried us!" This win was indeed a tribute to those seniors in their final game, but also it was a great tribute to Coach John Pierce and his staff who must have a good feeling of satisfaction and deserve congratulations for a fine season. Hope outdistanced the Scrappers 196-94 and outpassed them 47-38.

BOBCAT LEFT HALFBACK DAVID PORTERFIELD (29), marked by arrow at extreme left, takes a pass from Garry Mayfield, quarterback, on the Nashville 5 and goes over for Hope's first touchdown — in the third quarter.

CHARLES PINKSTON, NASHVILLE TAILBACK, RIPS through the middle at the Scrapper 45 for a gain of 11 yards. Converting in an attempt to bring him down are Hope's Garry Mayfield (11) and Richard McDowell (32). Bobcat players Chuck Beggs (66) and two unidentified men are blocked out of play.

PORTERFIELD ON AN OFF-TACKLE PLAY FROM THE Nashville 41 races 59 yards for Hope's second touchdown, in the fourth quarter. Tailing him are Nashville's Quarterback Wayne Arnold and Fullback Jim Todd.

HOPE'S RIGHT HALFBACK ROY WRAY TAKES A PASS on the Hope 25 and racks up an 18 yard gain to the 43. Coming in to make the tackle is Scrapper's Pinkston (10) with Todd (27), and Cowling (73). Hope players seeking to get in on the play are: Dan Jones (55), Richard McDowell (32) and Chuck Beyerley (74).

NASHVILLE'S PINKSTON (10) COMES AROUND LEFT end from his own 41 but is held to a gain of two yards. His interference is led by FB Allan Tollett (25), as Hope's Donnie Vaughn (54) follows the play.

LSU May Be Cotton Bowl Opponent

By BOB GREEN
Associated Press Sports Writer

Two major bowl berths have been secured, two others lack only official ratification and at least another should be nailed down by nightfall Saturday in college football.

Texas' 13-3 triumph over old foe Texas A&M in the top college game on the Thanksgiving Day program put the Longhorns in the Cotton Bowl and indirectly put Arkansas in the Sugar Bowl. Only minutes after Texas closed its season against the Aggies, Arkansas accepted a bid to play in New Orleans on New Year's Day.

Those two are secure. Wisconsin, which goes against Minnesota for the Big Ten title Saturday, needs only official conference sanction for a trip to the Rose Bowl. The Longhorns closed the regular season with a 9-0-1 record, their first undefeated

spot in the Rose festival.

Louisiana State can all but secure a berth in the Cotton Bowl in its season finale Saturday. A victory over Nebraska would all but clinch a spot for Oklahoma in the Orange Bowl.

The probable line-up for the major year-end bowls now looks like this:

Rose Bowl—Southern California vs. Wisconsin.

Cotton Bowl—Texas vs. Louisiana State.

Sugar Bowl—Mississippi vs. Arkansas.

Orange Bowl — Oklahoma vs. Alabama.

Gator Bowl—Penn State vs. Miami (Fla.).

Miami (6-2) could take a long step toward the Gator Bowl berth tonight against rugged Northwestern, once ranked the nation's best but loser of its last two.

Texas, ranked fourth nationally, trailed for three periods before Pitt in the East's top game while tenth ranked Oklahoma is favored to add Nebraska to its list of five straight victims.

ed season in 39 years.

Arkansas (8-1) had an outside chance at the title and the spot in the Cotton Bowl until Texas won it, but immediately announced its acceptance of the Sugar Bowl bid. The Razorbacks, ranked seventh nationally, close their regular season against Texas Tech Saturday.

Their likely Sugar Bowl opponent, unbeaten Mississippi, is idle until Dec. 1, as is Alabama, almost certain to get a bid for the Orange Bowl. Mississippi closes against Mississippi State, Alabama against Auburn.

Southern California, the nation's top ranked team with a 8-0 record, already has clinched the Big Six title. USC goes against UCLA (4-3) Saturday. Washington (6-1-2) goes against Washington State.

Louisiana State (7-1), considered a top candidate for the visiting role in the Cotton Bowl, is a heavy favorite against Tulane.

Penn State (No. 9) is at tough Pitt in the East's top game while tenth ranked Oklahoma is favored to add Nebraska to its list of five straight victims.
